

Love Your Library

Would you like to make a lasting donation to your child's school? "Love Your Library" is a voluntary program designed to do just that! Family and friends have the opportunity to share their child's birthday, special occasion, or any family memory by donating a new book to the Haude Library from the website linked below. Monetary donations of any amount may also be made and will be put toward purchasing books from our wish list.

A special bookplate with your child's name and date will be placed in the front of the book. Then, the book will become a part of Haude's permanent library collection for all students to enjoy for many years to come!

There is no tax or delivery fee, and books come "library ready" from our vendor, Bound to Stay Bound. Our goal is to add \$5000 worth of new books to our library!

To participate, simply visit the following link or QR code and click on the "donate now" button.
