

Attendance Information

Dear Parents,

Haude is dedicated to academic achievement and success for all students. Regular school attendance is an integral part of that success. A student should not be absent unless it is absolutely necessary. When a student is absent from school, upon their return, they are required to bring a parent note or a medical note within 5 days stating when and why they were absent. **Starting this year you can also report an absence through Skyward Family Access.**

Notes sent to school need to include the following information:

Student's first and last name
Grade
Date of Absence
Reason for Absence
Signature of parent

Unfortunately, we will not be able to accept a phone call as documentation of your child's absence. We appreciate your call, and we strongly encourage you to continue to notify the school of your child's absence, but we also must have a parent note, email, or notification through Skyward so that we may code the absence correctly.

If you have any questions regarding your child's attendance during this school year, please call Karen Ross, Attendance Secretary, at 832-484-5593.

Thank you!
